

**NEW FEATURE ALERT!**

# **RELATIVE LEADERBOARDS**

Swipe to discover the benefits and applications of Output's newest feature!

# Historical comparisons:

This new feature enables coaches to rank an athlete in comparison with a measurement from a preceding time period.

Coaches can now assess athletes by comparing their current performance with their best scores from a specific time frame or season segment, while also allowing for ranking among teammates.

CMJ | Jump Height 🔍

Week - Past Year

1	Darragh Whelan	9.6"	74%
2	Damien McKeown	15.1"	70%
3	Adam Byrne	17.9"	68%
4	Test Athlete	17.4"	62%
