

# INTEGRATION ANNOUNCEMENT Movella

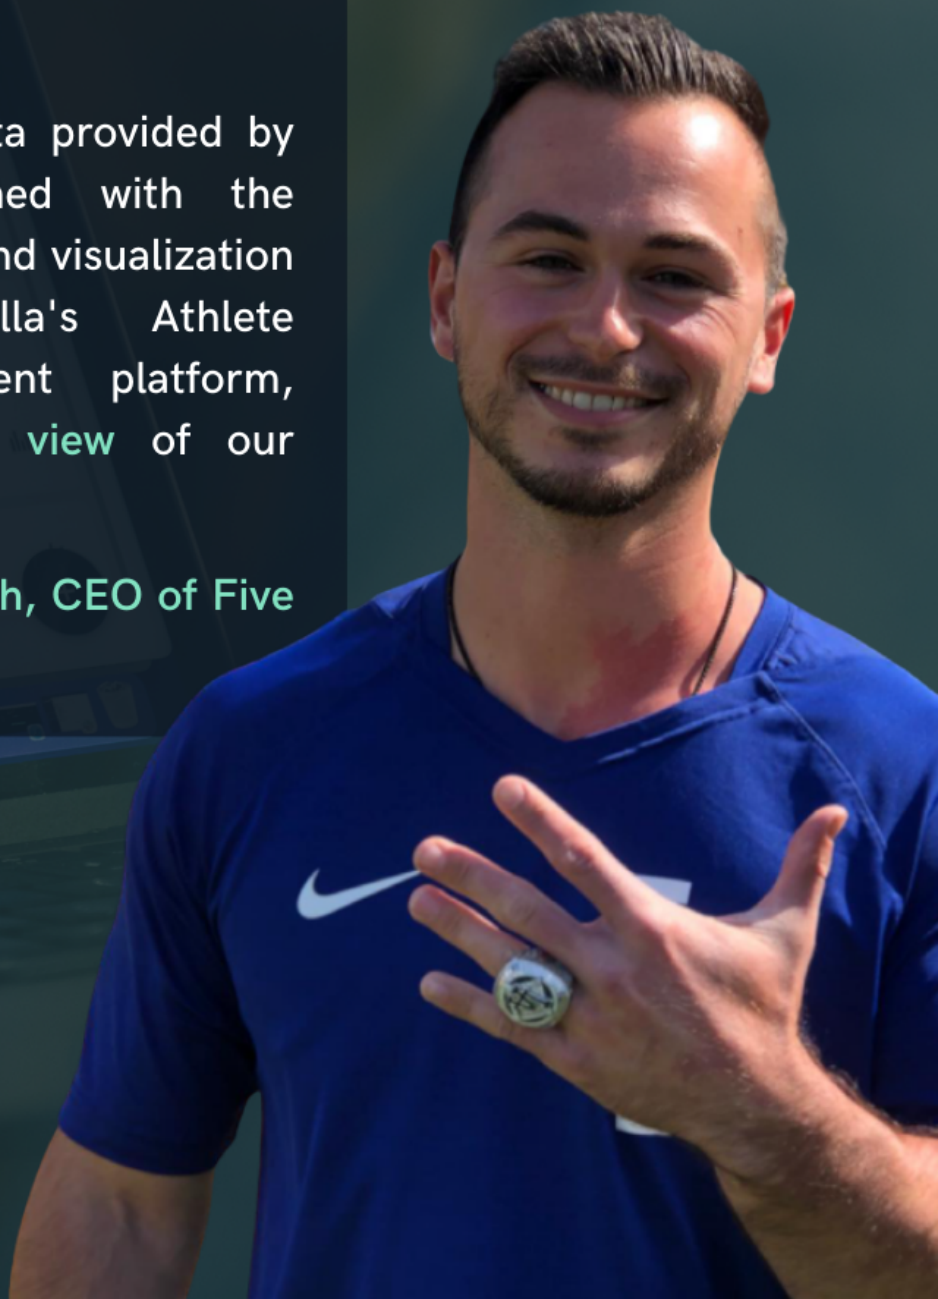

# Comprehensive athlete monitoring:

“

The objective testing data provided by Output Sports, combined with the comprehensive analysis and visualization capabilities of Movella's Athlete Performance Management platform, gives us a **360-degree view** of our athletes' performance.

Eric Yavarone, MLB Coach, CEO of Five Tool Connection

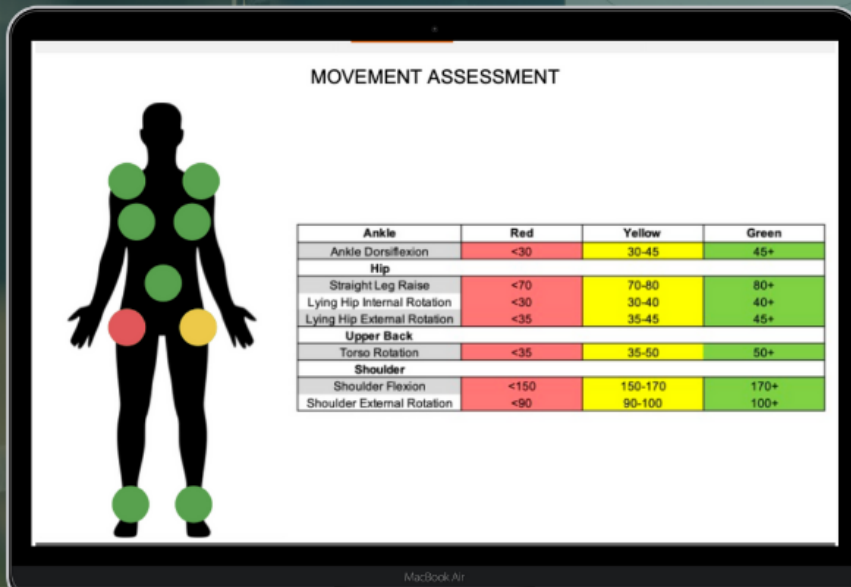

**STC**

# What does this mean?

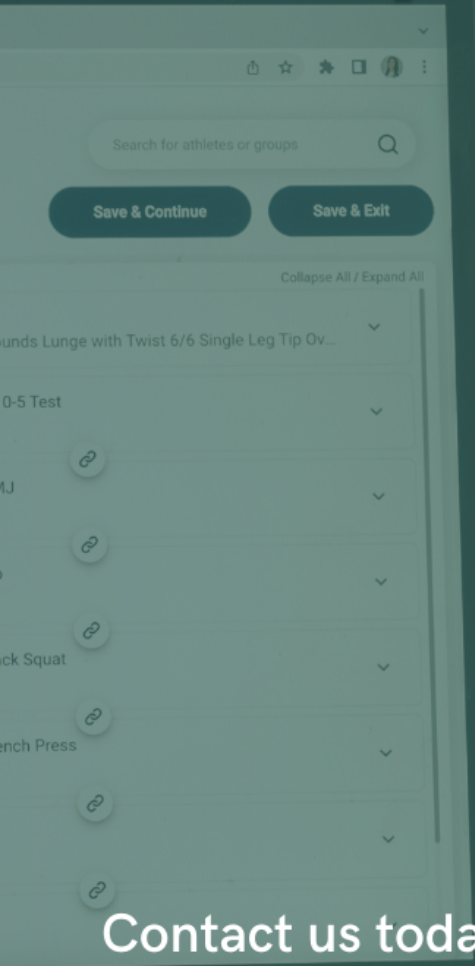

We are excited to combine Output Sports' expertise and metrics with Movella's advanced digital ecosystem to offer a holistic approach to athlete and performance data management.
